

DUNCANVILLE LIONS TALE

October 2017

Message from the President

Howdy Duncanville Lions!!

WOW!!! What fun we are having during this busy time of the year for our club. Several events are taking place in our community and District 2X-1. Let's represent the Duncanville Lions at these events and remind our community as to who we are and how "WE SERVE". Check out the information in this newsletter and commit to serving at one of these events... Smokin' Blues & BBQ Festival, Pancake Breakfast, Sandra Meadows Tournament or Las Vegas Night. As always, you can check out our "FABULOUS" website for a plethora of information. www.DuncanvilleLionsClub.com

I am reminding you of our monthly Board Meeting on the third Wednesday of each month at 6:00 pm. All members are invited and encouraged to attend. Key decisions are made at these Board meetings and your input is needed.

You are challenged to be more than a Friday lunch member. An investment of "some" of your time is what will make this Club the best in District 2X-1. Remember to bring at least one potential member to a Friday meeting, and let them see firsthand how they too can have a Stress Free Friday.

Evening Branch News

The month of October is been a busy month for the branch club. National Night Out was a huge success as we spoke to attendees about vision safety, emergency preparedness and how diabetes affects women. The feedback we received that night was tremendous! The event was also a great opportunity to let people know about service opportunities with the Lions Club & Evening Branch.

Our club will also be coordinating the 2nd annual White Cane Day Walk in conjunction with the Heart of Duncanville 1 mile and 5K.

We'll be promoting Lionism in the community and highlighting various Lions charities during the race. Later that day, the Evening Branch will be hosting free SPOT vision screening for children ages 4 to 14 at the Smokin' Blues n Barbecue Festival.
