

DUNCANVILLE LIONS TALE

Message from the President

November is the time to be thankful, a time to remember and to embrace those who enrich our lives. I'm thankful for a lot of things, but I'm extremely thankful for all the fellow Lions in our community who consistently pour into others & serve in meaningful ways. I am proud to serve alongside each of you!

Pancake batter will soon be splattering, and I hear the sounds of basketballs bouncing with preparation going for the Sandra Meadows Classic Tournament. While we don't meet a lot during the next two months, these two very important service opportunities are available for all members to participate in. Keep reading for details. May love, joy and happiness be yours in abundance this Thanksgiving Season!
