

DUNCANVILLE LIONS TALE

April 2018

Message from the President

Hard to believe that there are only three month left of my year of presidency. Time flies when you are having fun & giving back to the community. We're already in the planning stages for the start of a new year of Lionism! If you are interested in serving on a committee for 2018-2019, please see Norma, Dan or me. We'd love to get you plugged into a specific group. Our club is only as successful as the volunteers that continue to pour into the community.

April is shaping up to be another great month for the Duncanville Lions. Our Club is serving at the Low Vision Eye Clinic this Saturday (7th) and are still looking for volunteers. (5442 La Sierra, Dallas, TX 75204). There are two sessions 7am to 11:30am and 11:30am to 2pm. The Smokin' Blues and BBQ Festival planning is underway, and we are looking for Sponsors. Encourage your business contacts to consider signing up as a sponsor. See Joe Kyle for information. The "UGLY LION" voting is continuing until the end of this month. Thanks to all who are supporting our spring events.

Speaking of events, the District 2X-1 annual "Grass Roots" Lions Banquet & District Convention is April 27 & 28. The weekend is filled with several activities & district voting opportunities. We are looking for club members to attend several events throughout the weekend. Please see Norma or me for details.

I appreciate you all & your continued service to Duncanville!
