

DUNCANVILLE LIONS TALE

May 2018

Message from the President

The District 2X-1 Convention was a huge success. On Saturday, the convention included various breakout sessions, meetings, official voting for district positions and the "Grass Roots" Lions Banquet that night. Congrats to Janice Oldham from the noon club & Claudia Kingston from the branch for being recognized. And special thanks to all who attended!! Duncanville once again brought "life" to the party. Lion Carmen Ramirez-Hackfeld was elected to join District 2X-1's Lions Sight & Tissue Foundation board. District Governor Henry White from the Dallas South Lions also recognized our own Kasey Cheshier with the Lions Club International President's Distinguished Leadership Medal. The award is given to Lions Club members who have demonstrated significant leadership qualities / contribution, and to those who have given themselves unselfishly in the service of making a difference in the lives of others. This is the 3rd highest Lions International Award.

And speaking of leadership, service & a new year of Lionism... we are currently recruiting members to sign up for committees & volunteer to help for the year of 2017-18. Please see Dan Barkley or Norma Flatt if you are interested in serving on a committee or serve as a 2-year director.

We have several upcoming activities coming up this month including the re-scheduling of our Independent Living Center Cook-out, Special Olympics Fire Truck Pull and the branch club will be unveiling their "Legacy Project" to the community. I appreciate you all & your continued service for Duncanville!

"Mr." Mike Chrietberg
President, Duncanville Noon Lions Club
