

DUNCANVILLE LIONS TALE

July 2018

Message from the President

Welcome to a new year in Lionism in Duncanville! A succession of successful presidents has preceded me, and I will do my best to fill those shoes to make this year the best yet! I have been a Lion for five years, and it has been a rewarding experience of serving alongside each of you

Being president is the highest honor I have ever had and a responsibility I don't take lightly. I appreciate the continued support & heart to serve from all.

Multiple opportunities exist for our members to serve the local community and to support District 2-X1. Please help me to create "stress free" Fridays throughout the year and fulfill the goals set for the club.

- Have fun being a Lion
- Support growth of membership by 5 by June 30, 2019

- Provide at least 50 total hours supporting District 2-X1 service projects
- Obtain property tax exemption for Community Bldg
- Support committee Chairpersons and special events
- Perform gavel travel to 2 to 3 clubs

4th of July Parade

The Duncanville Lions Club held another successful 4th of July Parade for community members. The parade featured over 30 different entries from area organizations with some very creative & unique floats.

Former Duncanville Mayor David Green, a public servant with over 18 years of service to the community, served as the Independence Day Parade's Grand Marshal. Lions came out in full force to support the event, and the Lions had exceptional exposure. Thanks to Lion Don, Kasey and all involved to make this event a huge success!! For more photos & video of the parade, please visit our Facebook fan page.

Thanks again to the City of Duncanville for the continued partnership!
