

# DUNCANVILLE LIONS TALE

March 2019

## Message from the President

Welcome to March fellow Lions. I've noticed several trees budding. Hope they didn't poke out too early and get caught with a late freeze.

Another successful Las Vegas Night was completed February 23rd. Thanks to Lions Dennis Virzi, Carmen Hackfeld and the LV night committee for organizing a fun night of casino action, bingo and silent/live auction bidding. The food was good also. We should have a recap at the next board meeting.

Keep in mind the "Flavor of Duncanville" coming up March 14th. See Norma if you would like to volunteer to work the Lions table. Also in March is the District cabinet meeting March 23rd. District convention is April 26-27th in Carrollton.

Soon to be President Jerry Frazier will be preparing his staff for next year. If interested in a committee position or officer see Lion Jerry, Norma or me.

Try to bring a friend or colleague to Friday meetings. We could use some "new blood".

I would like to thank all lions for their service.

## Evening Branch News

The Evening Branch Club has been busy with the starting of our new Club, Best Southwest Leos. We have elected officers and the charter is signed and sent waiting for approval. We meet on the first and third Monday @ 6:30-7:30. We currently have 14 members from Duncanville, Desoto and Red Oak. We are excited and the kids are excited. You are welcome to come join us and see students excited about volunteering and helping their communities

**Tara Flatt-Ferduson - Secretary, Duncanville Evening Branch**

The 27th Annual Las Vegas Night has come & gone. You contributed auction items, sold sponsorships, and volunteered your time, energy and enthusiasm.

We had approximately 160 attendees and we netted \$5,000 for scholarships and local charities. Thank you everyone for making this event a success.
